

## RESEARCH SYMPOSIUM

*Advancing NDE Technologies, Research,  
and Engineering in a Changing World.*

27-29 April 2021

ASNT | **EVENTS.**

For 2021 ASNT is proud to welcome the Center for Nondestructive Evaluation (CNDE), at Iowa State University (ISU), as a Programming Partner. CNDE has a long history of working with industrial and governmental institutions to provide state-of-the art research outcomes, cost-effective tools and comprehensive solutions to a plurality of NDE problems. CNDE's forward-looking mission to solve relevant problems for a variety of industrial sectors and applications, and promoting and guiding a national agenda for the future of the NDE discipline, is a complementary and welcome addition to the Research Symposium program!
