Please submit with your application the following.

- Relevant transcript – current degree program or if a starting graduate student, previous degree transcript – a cumulative GPA of 3.5 or higher is recommended.
- Statement of demonstrated financial need on the Student Aid Report (SAR) from the Free Application for Federal Student Aid (FAFSA). Go to <https://studentaid.gov/h/apply-for-aid/fafsa> to complete the FAFSA and view and submit your SAR after the FAFSA is filed. International Students (are unable to complete a FAFSA) please submit a paragraph describing your financial hardships.
- CV – no more than 3 pages, listing additional information such as: professional activities, internships, Co-Ops, list of published papers and conference proceedings, scholarships, fellowships, other awards, etc.

- A no more than 500-word statement of interest, academic/professional goals and current or expected engagement in NDE research at CNDE.
- Letter of recommendation from the advisor (current or prospective), which must *specifically* address nominee's research appointment at CNDE (as per the requirements of the fellowship), see eligibility criteria below\* and include the number under which research eligibility criteria is met.
- Additional letter of recommendation (required only for the initial application and not required for a renewal application)
- Agree to present student poster at a CNDE Industry Advisory Board meeting (unless dissemination of the work is contractually restricted).

**Email your application packet to Susie McBirnie: [susiem@iastate.edu](mailto:susiem@iastate.edu)**

**Deadline for Fall 2022 semester – July 1, 2022**

- \* Research appointment eligibility criteria – one of the following must apply:
1. A student is currently funded on a CNDE-administrated (i.e., through CNDE) research project, or
  2. a student who has been on a CNDE research appointment during a period within the most recent academic year, or has been on a TA appointment in that span due to gap in CNDE research funding, or is a new student who is appointed as a TA in a department, is eligible so long as the student is engaged in research with one of the closely-aligned/associated CNDE faculty members on a clearly NDE-related research project, or
  3. a closely-aligned/associated CNDE faculty member has a pending proposal (through CNDE) that they plan to put the student candidate on when/if funded, and the disposition of the proposal is to be determined during the immediate term (Fall, Spring or Summer) following the submission of the Fellowship application, then the student is eligible for that term only, or
  4. a student was on a CNDE research appointment during the immediate previous term (Fall, Spring or Summer) and is graduating at the conclusion of the next immediate term, the student is eligible for than one term, or
  5. a student has been on a CNDE research appointment in one of the previous terms (Fall, Spring or Summer) within the most immediate academic year, and will be appointed as a GRA through other sources (such as PI incentive) the student is eligible during the appointment.
